Oil States to Participate in the Calyon Conference

HOUSTON, May 11, 2009 (GlobeNewswire via COMTEX) -- Oil States International, Inc. (NYSE:OIS) announced today that Christopher E. Cragg, Oil States' Senior Vice President of Operations, will participate in the Calyon Energy Forum on Wednesday, May 13, 2009. A copy of the Company's presentation has been posted to its website.

Oil States International, Inc. is a diversified oilfield services company. With locations around the world, Oil States is a leading manufacturer of products for deepwater production facilities and subsea pipelines, and a leading supplier of a broad range of services to the oil and gas industry, including production-related rental tools, work force accommodations and logistics, oil country tubular goods distribution and land drilling services. Oil States is organized in three business segments -- Offshore Products, Tubular Services and Well Site Services, and is publicly traded on the New York Stock Exchange under the symbol OIS. For more information on the Company, please visit Oil States International's website at <http://www.oilstatesintl.com>.

The presentation contains forward-looking statements within the meaning of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements are those that do not state historical facts and are, therefore, inherently subject to risks and uncertainties. The forward-looking statements included therein will be based on then current expectations and entail various risks and uncertainties that could cause actual results to differ materially from those forward-looking statements. Such risks and uncertainties include, among other things, risks associated with the general nature of the oilfield service industry and other factors discussed within the "Business" section of the Form 10-K for the year ended December 31, 2008 filed by Oil States with the SEC on February 20, 2009.
