You will not be able to attend the Annual Meeting in person. We expect to resume in-person or hybrid annual meetings beginning with our 2021 annual meeting.

To access the virtual meeting please click the Virtual Stockholder Meeting link above. To login to the virtual meeting you have two options: (1) join as a “Guest” or (2) join as a “Stockholder.” If you join as a “Stockholder” you will be required to have a control number and password.

If you are a registered stockholder, your control number can be found on your proxy card or notice, or email you previously received. The password for the meeting is OIS2020. If you were a stockholder as of the close of business on March 18, 2020, the record date, and have your control number, you may vote during the Annual Meeting by following the instructions available on the meeting website during the meeting. You will also be able to submit questions during the meeting.

If you are a beneficial stockholder and hold your shares through an intermediary, such as a bank or broker, you must register in advance to attend and vote during the Annual Meeting. To register, you must obtain a legal proxy by contacting your account representative at the bank, broker, or other nominee that holds your shares and submit an email from your broker or an image of your legal proxy reflecting your Oil States International, Inc. holdings, along with your name and email address, to Computershare at legalproxy@computershare.com. Requests for registration must be identified as “Legal Proxy” in the subject line and be received no later than 4:00 p.m., central daylight time, on Thursday, May 7, 2020. You will receive a confirmation email from Computershare of your registration together with a control number so that you can access and vote during the Annual Meeting. If you have a control number, you will also be able to submit questions during the meeting.

If you do not have your control number, you may attend as a guest (non-stockholder) but will not have the option to vote your shares or ask questions at the virtual meeting.

In accordance with the Delaware General Corporation Law, a list of the Company's stockholders of record will be available and may be inspected for a period of at least ten days prior to the Annual Meeting.
